# FACIAL TREATMENTS

## **Clarins Aromatic Balancer Facial**

Clarins classic, this relaxing facial is individually tailored to suit your skins requirements. After a consultation, the skin is cleansed, gently exfoliated and treated to an uplifting boost, before a personalised aromatherapy oil blend is massaged into the complexion using the Clarins Touch. A plant based mask is smoothed on to step up the activity of the natural ingredients and you're treated to a hand and scalp massage. It is a sensory experience that leaves you ready to face the world with super-soft, glowing skin.

Individual Treatment .....£43.50

## **Clarins Triactive Facials**

The Triactive facials are highly personalised and deliver real results. The new Pro range of products are used solely in these facials, and are handpicked by the experienced Clarins therapist to ensure all of your skin care needs are addressed. Not just a facial, this is more of a full body experience.

Individual Treatment .....£59.00

## **MD Prescription Facials**

This relaxing facial is individually tailored to suit your skins requirements. MD Formulation products contain AHA's and other specialised ingredients that help exfoliate dead skin cells and can increase moisturisation of the skin by up to 100%. As the dry outer skin layer is exfoliated, fine lines and wrinkles can become less noticeable, skin can be rebalanced diminishing breakouts and imperfections. Even the most sensitive skin can be left feeling soothed and calm. Your skin will look and feel smoother, brighter and more radiant.

Individual Treatment .....£48.80
